NCCC Governor: Dave Bratt

No new updates. The next meeting is August 22.

Sunshine: Sue McElroy

Mrs. Sunshine could not make the meeting. Mr. Sunshine (lol) asked that all the birthday people please stand. They did, and we sang. I must say, the singing was pretty good. We're getting better.

Car of the Year: Ron Kennedy

Ron checked gas caps. Good job Ron.

Rotolo Rep: Doug McElroy

Rotolo has 8- 2019 Corvettes in stock. Please, if you're going to buy me one, make sure it's red. Don't forget to see Mike if you're thinking about buying that new car or truck. They offer discounts to family and friends also.

NCM: Kevin Jones

Some trivia, the C3 was the longest production model. The run included T-tops and removable rear windows. Also, Chevy will be producing cars in China by the end of the year. Instead of the usual yellow racing Corvettes, they'll be racing the new Red Line series. Sorry Randy.

Apparel: Dan Borer

Dan does an amazing job and brought some samples of his work. Great job Dan. Dan does all kinds of designs, not just Corvettes. So, if you happen to have, say a Mustang or a Jeep, he can create whatever you want.

Parliamentarian: Phil Caughey

Phil was out today. We sure missed his enlightening conversations.
